

Central Hudson Pays Businesses to Save Energy

Come to the Business Energy Savings Workshop

When and where?

- **Feb. 11**, (snow date is Feb. 12) at the **Fishkill Holiday Inn**, 542 Route 9, Fishkill
Register from 7:45 - 8:15 a.m. Presentations from 8:15 – 9:30 a.m

Who should attend?

Businesses, municipalities, institutions and non-profits.
The business owner or person responsible for the Central Hudson bill should attend.

What's in it for businesses?

Attendees will learn about the following:

- The typical **cost and payback period** for energy efficiency upgrades
- Central Hudson **rebates of up to 70%** of the equipment cost of energy efficiency upgrades for businesses
- **Commercial tax credits** available for energy efficiency upgrades
- **Financing** support through the NYS Small Business Development Center
- **On-site energy assessments** to help find areas of energy waste
- How new, energy efficient lighting, heating and cooling systems can **improve the look and comfort of your business**
- Installation options while speaking with **local contractors**

How can I sign up?

Please RSVP through one of the following methods:

- 1) fill out and fax this form to **(315) 463-7393**,
