General Terms and Conditions

- Equipment and services must be installed January 1, 2012 thru December 31st, 2015, or while funding for rebates for this program are still available.
- Work must be completed by a participating Central Hudson SavingsCentral Trade Ally.
- Incentives are available for residential natural gas customers of Central Hudson.
- It is the responsibility of the customer to assure that all requirements for the rebate are met and that all required documentation is provided.
- Rebate payments will be based on the equipment purchase date.
- Failure to provide any of the required information will prevent processing of your application.
- Central Hudson reserves the right to review the installations in order to ensure compliance with all program requirements. Central Hudson may choose to review locations to verify completion of the projects and to measure and verify energy savings. Such reviews will be made at a time convenient to the applicant, with advanced notice given to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
- One rebate check will be issued to the customer applying for each approved and completed application.
- Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
- You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
- Customer verifies that they have not received any other incentives from any other state programs for the same equipment where a rebate is being requested in this form.
- Central Hudson is entitled to 100% of the energy benefits associated with the rebated measures, excluding the value of energy cost savings realized by the customer.
- Central Hudson assumes no responsibility for the performance of the equipment and equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the Trade Ally.
- The equipment must be purchased new and installed at the above listed customer location.
- The customer hereby relieves and indemnifies Central Hudson of any and all liability associated with this project.
- I understand that I may be contacted by Central Hudson via survey or questionnaire to provide feedback on my satisfaction with the program.

By signing this application, the customer agrees to the terms and conditions of this document. The customer hereby consents to the utilization and release of his or her energy consumption data and usage by Central Hudson and/or its designees including program administrators and evaluation contractors. These administrators and contractors are obligated to Central Hudson to keep customer information confidential. The release and usage of data will be used only for program evaluation, program eligibility determination, energy savings purposes and analysis and will be kept confidential.
